

ABOUT VETERANS HISTORY PROJECT:

VHP believes in the power of and works to preserve **all** veterans' oral histories of military service. No matter what branch you served, if you were active duty, or if you were in the reserves, we want to hear from you! Your story will be added to a collection of thousands of other voices to give future generations an honest and full understanding of our nation's military history. Interviews will be preserved for years to come in the Library of Congress and the Atlantic County Historical Society.

PREPARING FOR YOUR INTERVIEW:

We want to hear your story, in your words; here are a few things you might consider sharing:

- **Biographical Information:**

Where did you grow up? Who is your family? How did you become interested in serving?

- **Your Early Service Days:**

How did you enter the service? Why did you choose your branch? What was your training like? How did you adapt?

- **Your Time in Active Duty:**

Where did you serve? Any memorable moments? Any friendships formed? What were your duties?

- **Completion of Your Service:**

What was your readjustment to civilian life like?

- **Reflections:**

How has your service impacted you? Any lessons learned? Any advice?
